PACKAGE

## THE PACKAGE

We've partnered with a hand-picked selection of trusted local suppliers to create a thoughtfully curated package based on our experience of what truly makes a wedding day run seamlessly at our venue.

The package gives you a confident head start on your wedding planning with transparency around expected costs, while still giving you complete freedom to personalise your day. Your dedicated Coordinator will be on hand to suggest additions if you wish, or you're welcome to bring in your own additional suppliers.

Our packages can be scaled up or down to suit your guest numbers. You'll benefit from exclusive fixed rates on venue hire, entertainment, styling and prop hire, with catering and beverages priced clearly on a per-guest basis, allowing you to plan with confidence and stay in control of your budget.
