CATERING AND BAR

Recommended caterers for your Wedding Breakfast:

B and R Dining

Country Box Catering

Florentina Events

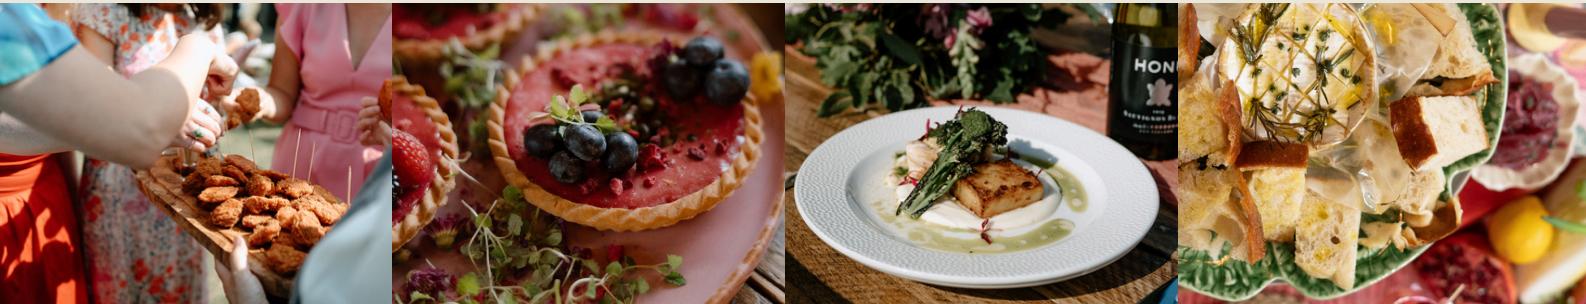

Holland Hospitality

These suppliers are trusted to meet the standard of catering and level of service that you would expect for your celebration.

We are unable to accommodate self-catered wedding food with the exception of your wedding cake.

If you fancy something a little different in the evening, there is ample space for food trucks.

You are able to provide your own drinks for a post ceremony reception and wedding breakfast, with no corkage charges up until 6pm. We ask that professional staff serve your drinks and all of our recommended caterers can provide this service. Alternatively, our in-house bar offers additional service packages.

PLANNING SUPPORT

In the months preceding your wedding, our friendly and experienced team will be on hand to guide you through your planning journey (including sharing our little black book of suppliers).

You will be invited to planning meetings and we will be with you on the day itself to welcome your guests and oversee the ceremony.

We will remain on site to offer support before handing over to an evening supervisor who will be on hand until after the last guests leave.

ACCOMMODATION

The Old Coach House

Just a short distance from Curds Hall Barn, The Old Coach House, is a beautiful five bedroom barn conversion sleeping up to 12 guests and is available for a three night stay, to extend your celebrations, for £2,150 (longer stays are welcome where available).

The layout; with two en-suite bedrooms to one side of the house, and three bedrooms with a family bathroom on the ground floor to the other side, makes it ideal for bridal parties wishing to stay together but prepare for the wedding separately.

With spacious, open plan living areas and beautiful gardens, there is plenty of space for entertaining up to thirty of your friends and family.

A games room, complete with snooker table, and a bright garden room offering lots of natural light, make it perfect for bridal party preparations.

The Old Coach House is pet friendly too.

Camping in the grounds of the venue

We are able to accommodate camping in parkland close to the venue on the night of the wedding (tents may be pitched in advance). Pitch fees of £20 include access to the lavatories.

Guests may bring their own tents or arrange for glamping in bell tents or tipis via an external supplier for something really special.

The Little Beach Bell Tent Company supply, pitch and furnish bell tents ready for you to retire to after the celebrations and, even better, they pack the tents away again afterwards. Why not book several tents together to create your own village for the night?
